This will be held virtually over google meet.

Messaging Your School Community

### NEW COMMUNICATION APP

Soon, TPA will be introducing a new tool for teacher/parent communication called REMIND. You will have the ability to send and receive messages with ease using your cell phone. In the next couple of weeks, you will receive a text from the Phillips Academy stating that you've been added to our community. At that time, you can take full advantage of the platform by downloading the REMIND App.
