May 10<sup>TH</sup> – State Testing Begins

### UPDATES ON STATE WIDE TESTING

As a TPA Community, we want to thank staff and parents/guardians for ensuring our students have the best year possible, given the conditions. Things are changing quickly which creates unforeseen and unique challenges. Given the updates we received from the federal and state government in the past few days, our annual State Wide Testing known as California Assessment of Student Performance and Progress (CAASPP) will be administered in May. All grades will be testing, except for 10th graders. Next week you will be receiving a letter regarding testing information.
