

TPA Community Newsletter

August 2020

UPCOMING FALL SEMESTER

Hello TPA Community! Congrats on accomplishing your first ESY through Distance Learning. Next week we will be emailing you a "Welcome to Fall" video to go over upcoming plans, programming, and procedures. This will be followed up by a survey to address any questions or concerns.

SUGGESTED SUPPLIES

We would like your student to begin gathering school supplies for this year. In case of reopening, please see the attached suggested list of supplies that your student will need when attending in person.

TPA will support students who do not have the means to fulfill the requests, as we have always done.

Thank you for supporting your student's success!
